

## **INSTRUCTIONS FOR COMPLETING THE PESTICIDE REGISTRATION APPLICATION**

1. Check the Firm Name, Address, Pesticide Brands and EPA Registration Number information printed on the application. (New applicants, type information in space provided.)
2. If any of the information is not correct, draw a line through the incorrect information and type or print in the correct information.
3. Indicate under "DISC" column if product is to be registered as "DISCONTINUED". Any products which you are discontinuing must be registered as such for at least one year, preferably two years so that existing supplies in the channels of trade can be legally sold and used.
4. Please indicate on each new product the type of pesticide as General Use = G; Restricted Use = R; or Specialty/Household = S.
5. Indicate under "SLN" column if product is to be registered as "Special Local Needs - Section 24(c)" or under "Experimental Use Permits" = "EUP" column.
6. Draw a line through any brand you do not intend to register this year in New Hampshire. These products should have been discontinued for at least two years.
7. Add any additional brands not listed that will be offered for sale in New Hampshire and include the EPA Registration Number.
8. ***On an annual basis***, submit a complete label for each pesticide to be registered, ***including renewals***. The label must be the same as that appearing on the container and must include the Firm Name and Address as indicated on the application.
9. Each application must be limited to the pesticides offered for sale under the name of a single manufacturer or distributor. If the registrant applies on behalf of more than one manufacturer or distributor, separate applications must be submitted for each.
10. The application must be authorized by a responsible representative of the company whose signature, printed name, and phone number are included on the application.
11. Photocopies of this application will be accepted.
12. Registration applications submitted without the required fees and product labels will be rejected. MSDS are **NOT** required.
13. The Registration fee is **\$50.00 per product**. Submit check or money order made payable to the ***Treasurer, State of New Hampshire***.
14. Please remit registration fee, labels and completed applications to:
